Dr. J. H. HARRINGTON, President of the American Society of Tropical Medicine and Hygiene, is the author of *Practical Tropical Medicine*, published by the American Medical Association, 535 North Dearborn Street, Chicago, Ill. The book is a comprehensive treatise on tropical diseases, and is the only one of its kind in the English language. It is a valuable reference work for the physician, and a practical guide for the traveler. The book is published in two volumes, and is available in a single volume for \$10.00. The single volume is published by the American Medical Association, 535 North Dearborn Street, Chicago, Ill.

1. **Elaboration:** The author provides a detailed description of the research methodology, including the use of a mixed-methods approach (qualitative interviews and quantitative surveys) to explore the factors influencing employee engagement. The study was conducted in a large multinational corporation, and the data was analyzed using both content analysis and statistical methods.
